NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits you earn at Columbia College is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the degree or certificate you earn is also at the complete discretion of the institution to which you may seek to transfer. If the credits, degree, or certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Columbia College to determine if your credits, degree, or certificate will transfer.

STUDENT TUITION RECOVERY FUND (STRF)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state - imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The student has the right to a full refund of all charges if they cancel this agreement by dropping through MyPortal or an Add/Drop form is received at the location prior to close-of-business on the first business day of the second week of the session.

In addition, the student may withdraw from a course after instruction has started by submitting a *Withdrawal Form* and receive a pro-rated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. Refunds will be made within 30 days of cancellation or withdrawal.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and

TUITION REFUNDS

Requests to add/drop/withdraw from a course will not be accepted by telephone. Students are required to complete the appropriate form to cancel a course enrollment. Confirmation of receipt is the responsibility of the student. Should circumstances prevent the student from completing the appropriate form, the student should contact their location for special arrangements to cancel the enrollment. The Location staff reserves the right to request substantiating documentation to support the student's inability to complete the add/drop/withdrawal in person.

Students with financial aid who drop or withdraw from a course(s) need to be aware that their financial aid could be affected. For more information, please refer to the Financial Aid section of the undergraduate catalog.

1. Full Refund: A student is entitled to full reduction of tuition when s/he drops from a course(s) during the first week of the eight-week session, providing a Columbia College add/drop/withdrawal form has been completed and submitted prior to the close of business on Monday of the second week of the session. Students who received books for dropped courses are required to return books to avoid book charges.
2. Partial Refund: During the second through the eighth week of the session, a student could be entitled to a partial refund of tuition when she/he withdraws from a course(s) due to extraordinary circumstances. Extraordinary circumstances are narrowly interpreted to mean the development of unexpected circumstances beyond a student's control that prevents continued attendance in all classes. Examples of extraordinary circumstances include serious illness, death in the immediate family,

significant change in the terms, location and/or conditions of employment, call to active military duty or TDY, etc. Mere inconvenience, discomfort with the academic workload, or minor schedule changes in employment are not deemed to meet the definition of extraordinary, mitigating, or extenuating circumstances.

To be considered for a partial refund, a student must submit a complete withdrawal form. This form must be accompanied by a letter or email from the student to the Location office explaining the circumstances surrounding the withdrawal and the desire for financial consideration. In addition, Columbia College requires substantiating documentation to support the student's request, i.e. a letter from a physician, military orders, etc. Student should be aware that a refund is not automatic; rather, requests for financial consideration are subject to review and approval on a case by case basis.

3. No Refund: No refund will be granted to a student who voluntarily or involuntarily (administratively) withdraws from a course(s) during the second through the eighth week of the session, unless extraordinary circumstances apply (refer to partial refund listed above).
4. Refund Requests: Credit on a student account that results from the transfer of financial aid does not require a request for refund. These credit balances will be automatically refunded. Credit balances due to overpayment or a change in enrollment status require the student to complete and submit a refund request form. The form will be routed to the Business Office and inform the staff that the student wants to have a refund rather than have the credit apply to a future balance.
